The AGM approved the Board of Directors' proposal for principles of remuneration to Husqvarna Group Management.

Furthermore, the AGM approved the Board of Director's proposal for a performance based long-term incentive program for 2015, LTI 2015.

Re-purchase and transfers of own shares

The AGM authorized the Board of Directors to, on one or more occasions during the period up until the next AGM, approve re-purchase of B-shares, conditioned upon that the Company's holding does not at any time exceed 1% of the total number of issued shares in the Company. Shares shall be purchased on NASDAQ Stockholm at a price within the share-price spread registered at the time.

In addition, the AGM authorized the Board of Directors to on one or more occasions during the period up to the next AGM, sell the Company's own B-shares on NASDAQ Stockholm. Shares may only be sold on NASDAQ Stockholm for cash at a price within the share-price interval registered at that time.

The AGM further resolved to authorize the Board of Directors to, on one or more occasions, direct the Company to enter one or more equity swap agreements with a third party, on terms and conditions in accordance with market practice.

The purpose of the authorizations to re-purchase and sell shares; and to enter into equity swap agreements is to hedge the Company's undertakings (including social costs) for the Company's incentive programs and to continuously adapt the number of shares held for this reason.

Authorization for new share issue

The AGM authorized the Board to approve the issue of not more than approximately 57.6 million new B-shares against consideration in kind, on one or more occasions during the period up to the AGM in 2016. The price for the new shares shall be based on the market price of the Husqvarna B-share. The purpose of the authorization is to facilitate acquisitions for which payment will be made in own shares.

Nomination Committee

At the AGM in 2013 it was decided that, until the AGM resolves otherwise, the Company shall have a Nomination Committee consisting of five members. The members shall comprise one representative of each of the four largest shareholders in the Company in terms of the number of known vote rights held as of the last banking day of August, and who have expressed a wish to participate in the nomination committee work, together with the Chairman of the Board of Directors.
