Husqvarna Group

Husqvarna Group was founded in 1689 and is today a world-leading manufacturer of innovative products and solutions for forest, park and garden management. The range includes robotic lawnmowers, chainsaws, trimmers, riding lawnmowers and garden irrigation. Husqvarna Group is also a leader in cutting and surface treatment equipment for the construction and stone industries. The Group's products and solutions are mainly sold under the global Husqvarna and Gardena brands via dealers and retailers to consumers and professional users in more than 100 countries. Sales in 2021 amounted to SEK 47 billion and the Group has approximately 13,900 employees in 40 countries.
